Mr. Durand presented for publication in the Transactions, a paper entitled "A Sketch of the Botany of the Basin of Great Salt Lake of Utah;" and read the preface to it. The paper was referred to a committee consisting of Dr. Bridges, Dr. Wood and Dr. Carson.

Mr. Powel exhibited some photographs of the moon, executed by Lubis M. Rutherford, of New York, enlarged from small photographs taken, by means of a powerful telescope, on collodion; also two stereoscopic views, copied from originals, and a fine example of a photograph taken on dry collodion, after the Fothergill process.

Pending nominations Nos. 388, 389 and 390, were read.

The special order of business for the evening being called up, to wit:—the motion of Mr. Powell, that a list of members of the Society, from its first organization to the present time, be printed—it was, on motion of Dr. Bell, adopted; and, on motion of Mr. Fraley, the form and number of copies to be printed were referred to the secretaries, to report thereon at the next meeting.

No. 60, of the Proceedings just published, was laid on the table, and the Society was adjourned.

Stated Meeting, April 15, 1859.

Present, twenty-five members.

Dr. WOOD, President, in the Chair.

Letters were read, acknowledging the receipt of No. 60 of the Proceedings, from the trustees of the Boston Atheneum, dated Boston, April 6, 1859; The Corporation of Harvard College, dated Cambridge, April 1, 1859; The Connecticut Historical Society, dated Hartford, March 31, 1859.
